- Specially designed structural marine panels, edge sealed and textured to add weight and counter balanced
- 100% stainless steel hardware
- Marine Carpet is 100% Olefin, mildew, UV, and fade resistant.
- Snap-Bags™ Floatation is 100% resistant to mildew and UV rays.

Note: The height of your dock determines the angle that the doggydocks™ sits in the water and if more floatation is required. We recommend a doggydocks™ extension kit if your dock is over 32" and your dog is more than 55 lbs or if you have an older dog.
